

The Meharry Medical College Library provides access to BoardVitals, a high-yield exam review platform designed to support board preparation across healthcare disciplines. Your subscription includes comprehensive question banks for Physician Assistant exams (PANCE and PANRE), Medical exams including USMLE Step 1, Step 2, and Step 3, Psychiatry, Internal Medicine, OB-GYN (CREOG and ABOG), Family Medicine (ABFM), and Preventive Medicine (ABPM), as well as Dental preparation for the Integrated National Board Dental Examination (INBDE).

For those preparing for the ABFM board exam, your access also includes a full-length practice test that mirrors the actual exam's blueprint, length, and interface, ensuring you're fully prepared for test day.

To register for BoardVitals, click the register button below and follow the steps. Use your institutional email address for registration. Next time, just go to boardvitals.com to login.

Need help? See the BoardVitals Help Center [here](#) or contact support@boardvitals.com.
