Make Anatomy.tv your own!

## ANATOMY.TV PERSONAL PROFILES

Personal Profiles is a landmark development from Primal Pictures. We are excited to now give you the chance to personalize your Anatomy.tv experience by favoriting modules and content, picking up where you left off and optimizing your dashboard based on educational or professional preferences.

Creating a Personal Profile in Anatomy.tv provides a whole range of benefits, including:

- **Curated content** - A dashboard of recommended products created especially for you, selected from your institutional subscription and defined by your preferences.
- **Boosted efficiency** - Speed up your Anatomy.tv experience by favoriting the products you use most and picking up where you last left off with a new 'Recently viewed' tab.
- **Cloud-based favorites** - Save favorite in-module content to your profile, allowing you to carry your favorites with you no matter where you are or what device you're using.
- **Seamless access** - Use your credentials to log in to Anatomy.tv and simplify authentication when logging in away from your institutional network.
- **Help content & tutorials** - Get help and tips sent directly to you, making it easier than ever to use all of your available features

### HOW TO Create a Personal Profile

Creating a profile couldn't be easier! Just follow these simple steps:

1. Log in to Anatomy.tv exactly as you currently do
2. Select 'Create Profile' from the pop-up prompt or the top-right button
3. Fill in the short form (the details will help us recommend modules)
4. Click the verification link you'll receive by email
5. And your Personal Profile is set!

Don't forget – once logged in, you can toggle between recommended and all products available to you.
