TDS HEALTH

Administration Access & Assistance

The screenshot displays the TDS Health website interface. At the top, there is a navigation bar with the TDS Health logo, a search bar, and user options like 'Log Out'. Below the navigation, a large blue banner contains the text 'TDS HEALTH' and 'Administration Access & Assistance'. The main content area features several resource cards: 'Anatomy.tv' (powered by Primal Pictures), 'BoardVitals' (powered by BoardVitals), 'Drug Interactions' (powered by The Medical Letter® and TDS Health), and 'MedCram' (powered by MedCram, LLC). Each card provides a brief description of the resource and its benefits for medical education and practice.

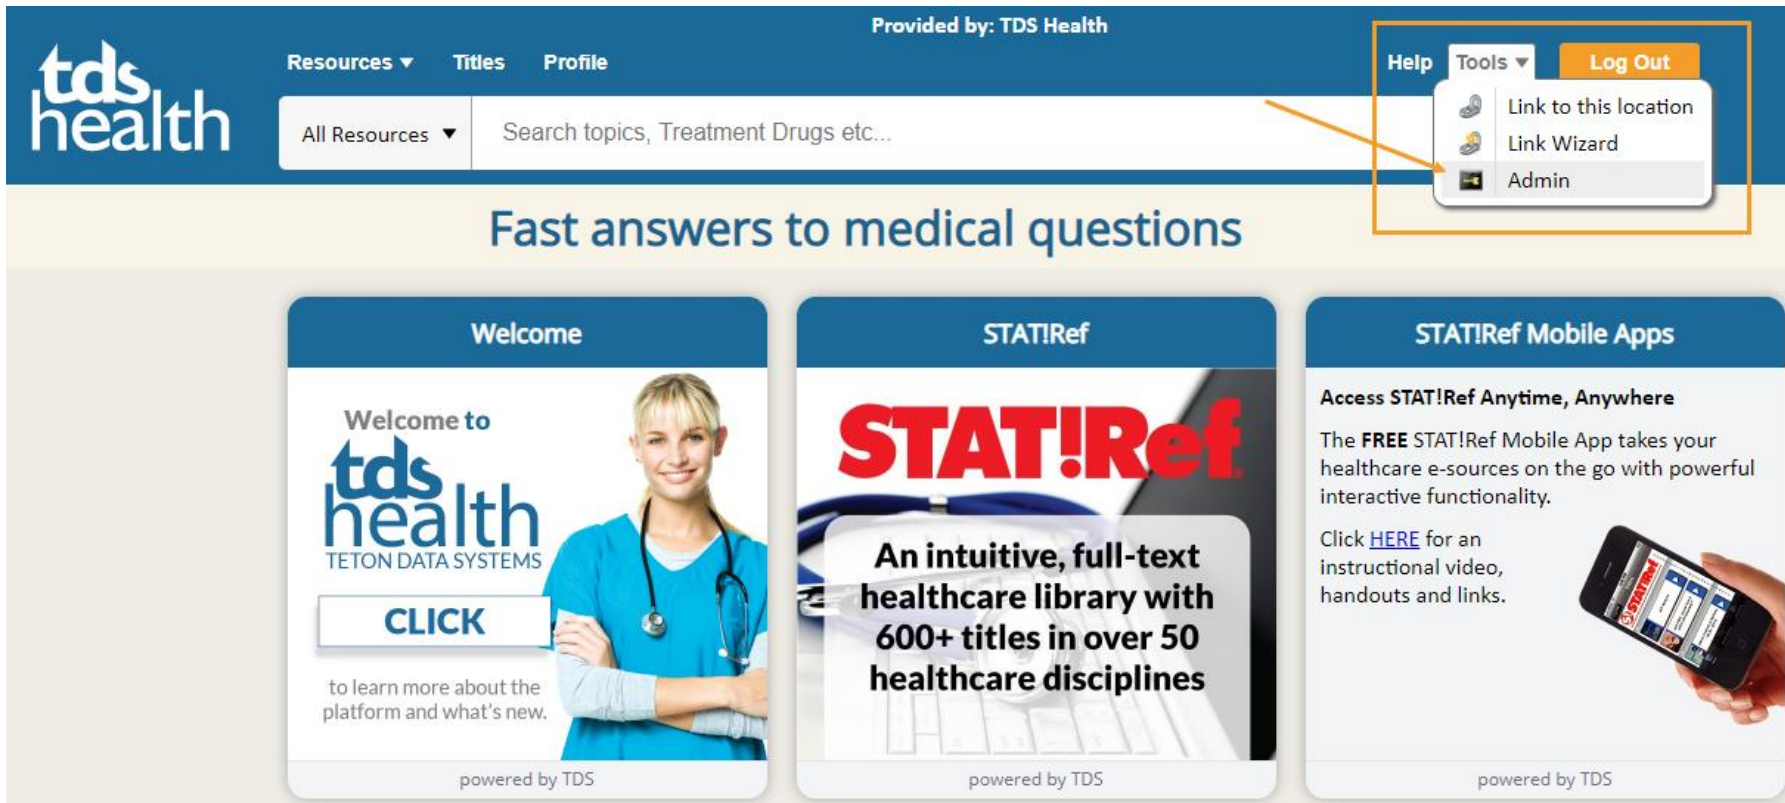

Log in

- To Get started you will need to log in to TDS Health using your Admin, Client Manager or Statisticians username and password. If you have recently been in your TDS Health subscription, we may try to auto log you in. In this case you should try a different browser.
- You can go to www.tetondata.com or <https://online.statref.com>.

The screenshot shows the TDS Health login interface. At the top is the 'tds health' logo in white on a blue background. Below the logo are two input fields: 'User name' with a person icon and 'Password' with a lock icon. A blue 'Log in' button is positioned below the fields. At the bottom, there are three links: 'Athens Login', 'Institutional Login', and 'Forgot Password?'.

Tools – Admin

The screenshot shows the TDS Health website interface. At the top, there is a blue header with the TDS Health logo on the left and the text "Provided by: TDS Health" on the right. Below the logo are navigation links for "Resources", "Titles", and "Profile". A search bar is present with the placeholder text "Search topics, Treatment Drugs etc...". On the right side of the header, there are links for "Help", "Tools", and "Log Out". The "Tools" dropdown menu is open, showing three options: "Link to this location", "Link Wizard", and "Admin". An orange arrow points from the "Tools" menu to the "Admin" option. Below the header, the main content area features three promotional cards: "Welcome" with a "CLICK" button, "STAT!Ref" with the text "An intuitive, full-text healthcare library with 600+ titles in over 50 healthcare disciplines", and "STAT!Ref Mobile Apps" with the text "Access STAT!Ref Anytime, Anywhere". Each card is powered by TDS.

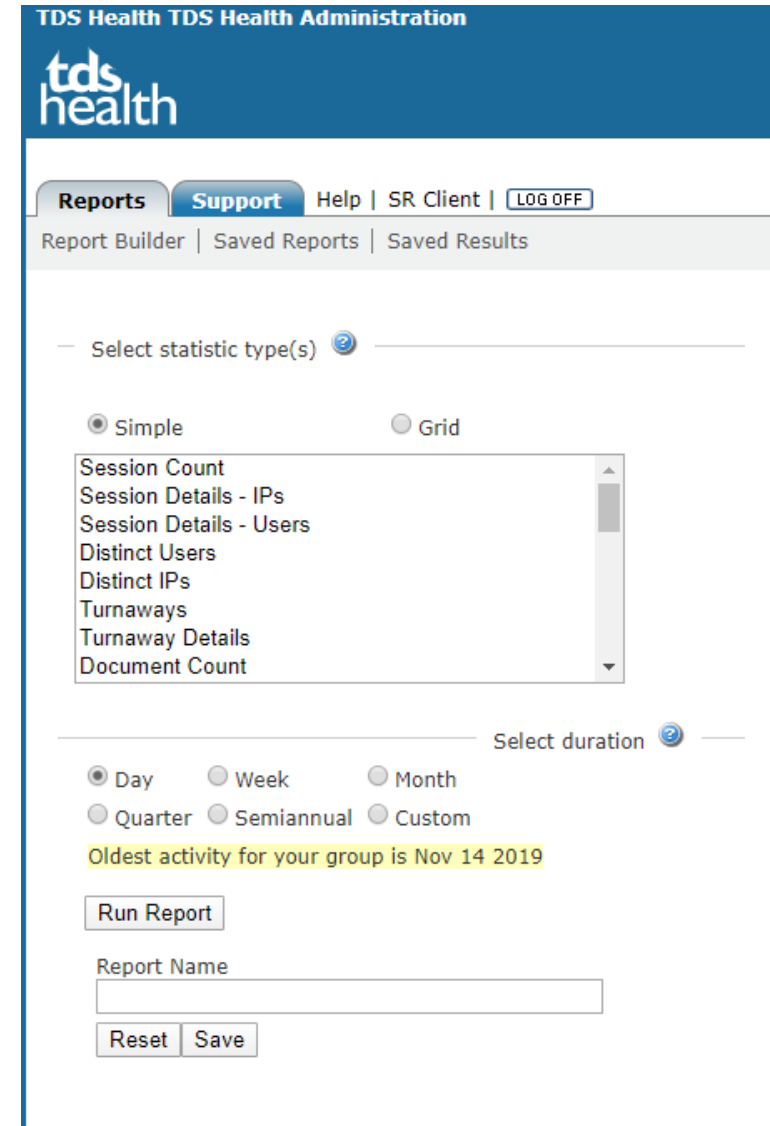

Once you have logged in, go to the Tools menu and click on Admin.

Admin – Tabs Statisticians

This will take you into Admin.

- The default page for a Statisticians account is Report Builder.
- The other options are Saved Reports and Saved Results.
- Click SR Client when you are done to get back into your subscription.

The screenshot displays the 'TDS Health Administration' interface. At the top, there is a blue header with the 'tds health' logo. Below the header, a navigation bar contains 'Reports' (highlighted), 'Support', 'Help', 'SR Client', and 'LOG OFF'. Underneath, there are links for 'Report Builder', 'Saved Reports', and 'Saved Results'. The main content area is titled 'Select statistic type(s)' and includes radio buttons for 'Simple' (selected) and 'Grid'. A scrollable list of statistics is shown: Session Count, Session Details - IPs, Session Details - Users, Distinct Users, Distinct IPs, Turnaways, Turnaway Details, and Document Count. Below this, there is a 'Select duration' section with radio buttons for Day, Week, Month, Quarter, Semiannual, and Custom. A yellow highlight indicates 'Oldest activity for your group is Nov 14 2019'. At the bottom, there are 'Run Report', 'Report Name' (input field), 'Reset', and 'Save' buttons.

Admin – Tabs

Client Manager

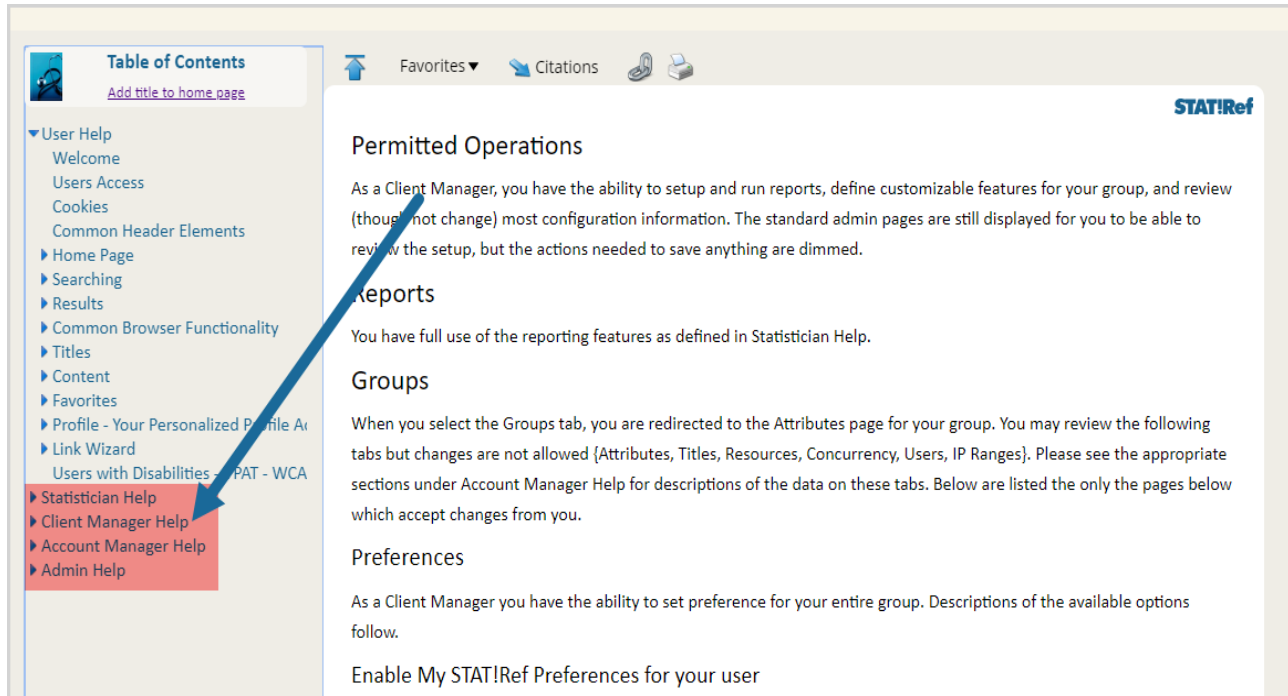

This will take you into Admin.

- If you have logged in with a Client Manager account, you will see the additional Tab - Groups.
- The default section you will begin at under Groups is Attributes along with all the other sections you have access to.
- Click SR Client when you are done to get back into the subscription.

The screenshot displays the TDS Health Administration web interface. At the top, the header includes the TDS Health logo and a 'Back to Subscription' button with a downward arrow. Below the header is a navigation bar with tabs for 'Reports', 'Groups', and 'Support'. The 'Groups' tab is active, indicated by a '1' in a box above it. To the right of the tabs are links for 'Help', 'SR Client', and 'LOG OFF'. A secondary navigation bar contains links for 'Attributes', 'Titles', 'Concurrency', 'Users', 'IP Ranges', 'Profile accounts', 'Contacts', 'Splash Page', and 'Links'. Below this, a '2' in a box is positioned above the 'TDS Health Attributes' section. The attributes section contains the following information:

- Owning Organization: [Color-coded bar]
- Group Name: TDS Health
- Group Alias: DGA
- Group Expiration Date: 12/17/2020
- Dictionary: Stedman's Medical Dictionary (2016)
- Date Added: 11/14/2019 5:20:52 PM
- Date Modified: 1/23/2020 1:16:44 PM

Admin Help

The screenshot shows the STAT!Ref Admin Help interface. On the left, a 'Table of Contents' sidebar lists various help topics, with 'Admin Help' highlighted in red. A blue arrow points from this link to the 'Permitted Operations' section in the main content area. The main content area is titled 'STAT!Ref' and contains sections for 'Permitted Operations', 'Reports', 'Groups', and 'Preferences'. The 'Permitted Operations' section states: 'As a Client Manager, you have the ability to setup and run reports, define customizable features for your group, and review (though not change) most configuration information. The standard admin pages are still displayed for you to be able to review the setup, but the actions needed to save anything are dimmed.' The 'Reports' section states: 'You have full use of the reporting features as defined in Statistician Help.' The 'Groups' section states: 'When you select the Groups tab, you are redirected to the Attributes page for your group. You may review the following tabs but changes are not allowed (Attributes, Titles, Resources, Concurrency, Users, IP Ranges). Please see the appropriate sections under Account Manager Help for descriptions of the data on these tabs. Below are listed the only the pages below which accept changes from you.' The 'Preferences' section states: 'As a Client Manager you have the ability to set preference for your entire group. Descriptions of the available options follow. Enable My STAT!Ref Preferences for your user'.

If you are logged in to TDS Health with an admin account, under Help you will see additional information with details about these accounts and what you can and cannot access. You will not see this information if you have been IP authenticated into your subscription so if you need help with stats or other admin functions, please login as an admin and then go to Help.
